Central Intelligence Agency  
Washington, D.C. 20505

Dear John,

I am happy to report that we had a very successful Intelligence Symposium last week, and Admiral Inman gave us some food for thought at our Banquet at the Marriott. I was sorry that your schedule would not permit your attendance....never the less you were missed.

I have enclosed a package of unclassified papers that were given at the Symposium. Some of the work on A. I. is fascinating and worthy of further study, and the logistics papers also high light issues that we should examine in more depth.

I will be calling [ ] for a short appointment sometime in the near future to give you a run down on our plans for 1984.

Looking forward to seeing you.

Warm regards.
